

## LaUSAG Athlete State Registration Form

This form must be completed each year and sent to the Computer Tracking agent along with a club check for \$10.00 per athlete payable to LaUSAG. Level 1-10 and PREP athletes that have paid this State Registration fee will be tracked by our Computer Service. All Level 1-10 and PREP athletes MUST be registered prior to competition in order to earn scores for qualification to State Meets.

You can duplicate this form as needed throughout the season in the event you add athletes after sending your initial registration.

**This form is due by November 1** even if you do not yet have the USAG numbers. All athletes will have their scores tracked for mobility and qualification to State Meets. Scores earned before registration will not be considered for state qualification. **Forms not postmarked by November 1 will incur a \$50.00 per club late fee.**
